Cherry Blossom Sky

Savannah Skye (http://poetrypoem.com/savannahskye)

Mother Nature transport me under
The cherry blossom sky which I dream of
For my eyes want to see cherry blossoms
Sweet cherry blossoms in full bloom
In full bloom with their pink color love

Oh Mother Nature
My heart wants to be filled with their pink color love
My mind wants to be painted with their pink color love
My eyes want to see visions of their pink color love
So Mother Nature transport me
To the land of their pink color love

Their land of pink color love
Where cherry blossoms are in full bloom
Where cherry blossoms will envelop me
With their pink color love

Where cherry blossoms in full bloom will
Surround me and abound me
Cover me from head to toe
Fall over me with natural grace
Cover me with their petals soft face

Their petals of soft pink fluff that...
Will dance on the wind
Will dance on my bare skin
Will dance from their branches end

Oh Mother Nature transport me under
The cherry blossom sky
The cherry blossom sky that will make me sigh
The cherry blossom sky that will make my five senses cry
The cherry blossom sky through which I will fly

We are what we pretend to be, so we must be careful what we pretend to be.
